# ASCOT VALE PRIMARY SCHOOL

## DOGS ON SCHOOL GROUNDS POLICY

Developed May 2014. Passed by SC 18<sup>th</sup> August 2014

### **Rationale**

Ascot Vale PS acknowledges the important role that pets, dogs in particular, play in our community and the positive impact dogs can have on family life. For many community members, dogs are an important part of the family. A dog can be a joy but they are also a big responsibility. The school also acknowledges the benefits of walking to and from school in a family group with a dog.

However, increased enrolments at Ascot Vale PS in recent years have resulted in more dogs being brought onto school grounds. This has the potential to increase the risk of injury to children caused by dogs (e.g. bites and scratches) through dogs reacting adversely to unexpected noise and/or movement of children. We implement City of Moonee Valley on-leash laws to promote and encourage positive health, safety and wellbeing for our community (see below).

### **Aims**

- For the safety of children to be the first priority at Ascot Vale PS.
- For dog owners to carefully consider the risks involved in bringing a dog into an environment where there are lots of young children, some of whom are unfamiliar and/or afraid of dogs.
- For dog owners to carefully consider the necessity and risks of bringing a dog onto the school grounds.
- For dog owners to keep their dogs at home if there is any risk of their dog becoming aggressive at school towards humans or other dogs.

Dogs are allowed on the school site under the following implementation conditions:

### **Implementation:**

- All dogs entering Ascot Vale PS must be on short leads (not extendable leads) that are controlled by an adult, not by a child.
- Dog owners are requested to always be mindful that children are the first priority in a school environment and that some children are unfamiliar and/or afraid of dogs.
- Dog owners are requested to assess the demeanour of their dog before entering the school grounds and are requested not to enter the school grounds if the demeanour of the dog is not suited to an environment where children are present.
- Dog owners are requested to leave dogs at home during school events, such as, family gatherings and fetes.
- Dog owners must be familiar with their legal responsibilities and be aware that the school takes no responsibility for the behaviour or actions of their dogs.
- Staff can request that dog owners remove their dog from the school grounds.
- Incidents involving dog bites or injuries to children, adults or other animals will be reported by Ascot Vale PS to the City of Moonee Valley.
- Dog owners must remove and dispose of dog excrement.
- Dog owners must abide by the City of Moonee Valley on leash laws, as follows:
  - A Council order, made under the Domestic Animals Act 1994, requires dogs to be kept on a leash at all times when in public places.
  - This law does not apply to a Declared Dangerous, Menacing or Restricted Breed Dog or a greyhound which must meet the restraint requirements specified under the Domestic Animal Act 1994.
  - The order also prohibits dogs from being within 15 metres of any children's playground, public barbeque, shared path or exercise equipment area.
