## 2018 student app list - year 4/5/6

We ask that the following apps be installed on your child's iPad for the start of the 2018 school year. Many of these apps are from the 2017 list. Students are required to keep a pair of headphones/earbuds and a stylus (inexpensive) at school for use with their iPad. The new iPad Air 2/Pro comes with a set of Apple installed apps, some of which are listed below. **Please keep at least 5 GB free on the iPad at all times. Units will confirm any other apps that may be used during the year to support the integrated curriculum topics. All prices were accurate at the time of printing.**

**TIP: Purchase iTunes cards when they are 20% off.**

A guide to apps & in-apps purchases for

consumers <http://www.acma.gov.au/Citizen/Stay-protected/My-mobile-world/Content-and-services/apps-and-in-apps-purchases-a-guide-for-consumers>
