

LUCKY JARS FOR OUR FETE

Lucky Jars are a fun game that we plan to have at the fete (the jars are wrapped in paper and children will draw a number to win a jar with that number on it). To make this stall a success we will need at least **300** lucky jars. ***WE ALSO NEED A COORDINATOR FOR THIS STALL!***

How to create some Lucky Jars in five easy steps....

1. Grab some empty jars, wash and remove the labels (there are plenty of empty jars available in the canteen or if you have spares please place in the canteen for others).
2. Have a look around the house for little toys or party favors (in good clean condition) that will fit into a jar (ie: bouncy balls, Lego, pencils, erasers, matchbox cars, tiny dinosaurs Trashies, Shopkins and farm animals) then pop them in the jars.
3. Add a few wrapped lollies on top.
4. Seal the jars with the lid.
5. Wrap in wrapping paper.
6. Place Lucky Jars in the FETE BOX located in your child's classroom.
