*\*\*AVPS asks that any parents, carers or visitors to our school who may be taking photos or videos (eg assembly, special events) to be mindful of their use of their media – particularly when their images or videos may contain other students, either directly or in the background. Please be aware that there are a few students whose parents do not give permission for their child’s images to be placed online and we must ensure this is adhered to. We therefore request that parents, carers or visitors taking photos or videos be conscious of this and not to post the photos of other students online, including social media sites.\*\**

**Ascot Vale Primary School  
Permission to publish photos for medical purposes form 2018**

1/2/2018

Dear Parents/ Guardians,

As you have identified a serious medical condition for your child, we would like to display a photograph for staff to identify your child quickly in the event of a medical situation.

Under Privacy Laws, parental permission is required for this photo to be displayed. Student pictures may be displayed in the staffroom, in the CRT (Casual Relief Teacher) folders and will be available electronically to staff (password protected).

Please complete the attached permission form and include your child's medical condition(s) and return it as soon as possible.

Please do not hesitate to contact me for further information.

Yours sincerely,

Michael Downing  
Assistant Principal.
