Dear Parents/Guardians,

Re: 2026 Year Foundation/Prep Parent Payment Arrangements

Ascot Vale Primary School is looking forward to another great year of teaching and learning and would like to advise you of Ascot Vale Primary School's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian Curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made an enormous difference to our school and the programs we can offer.

Across our school this support has allowed AVPS to offer a range of learning resources and experiences, including a wide range of subjects and curriculum activities; digital learning equipment and opportunities, including access to high quality Chromebook devices and large TV screens available in every classroom; improvements to our school amenities; quality literacy and numeracy resources, and classroom and special subject equipment and resources.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Ben Kline
Acting Principal

Financial Support for Families

Ascot Vale Primary understands that some families may experience financial difficulty and offers a range of support options, including:

- The **Camps, Sports, and Excursions Fund (CSEF)** to the value of $125.00 provides payments for eligible students to go towards the cost of camps, sports, and excursions. Families holding a valid means- tested concession card or temporary foster parents are eligible to apply, and a Special Consideration eligibility category also exists. Please note, if a child leaves AVPS throughout the year, the remainder of their unspent CSEF will be transferred to their next Victorian Government School.
- **State School Relief** may cover the cost of new school uniforms, shoes, books and more for disadvantaged students. State Schools' Relief only responds to requests from school principals, assistant principals, or welfare coordinators. Parents or Carers who need support to make an appointment with the school to discuss their situation.
- **Student Sponsorship**. The school can provide subsidies for camps, excursions, or sport to eligible students due to the generous donations of AVPS families.
- **Community Assistance.** The school can provide families with links with local services and welfare groups which can provide specialist support and assistance to students and families in financial crisis. The school also provides a student sponsorship program to assist such families in need.
- **Commonwealth Family Assistance.** The Commonwealth Government provides a range of payments and services to help families look after their children's health, education, and other family issues. Please contact our office staff to arrange assistance if necessary.
