ESSENDON KEILOR COLLEGE

High Achievers Program

Niddrie & East Keilor Campuses

- Students accelerated in all subject areas
- More challenging learning environment
- Like minded high achieving students
- Involvement in extracurricular activities
- Free laptop
- Selection process

Information Session - Tuesday 10 May @ 6pm Niddrie Campus - Peters Street, Airport West

- Delivered in partnership with the University of Melbourne and the Victorian Government, the STEM Centre of Excellence at Science Gallery Melbourne investigates the collision of art and science
- Embracing scientific and artistic inquiry alike, our programs foster development of transferable 21st century skills and explore design thinking programs through a creative lens.
