Camp Australia Ascot Vale OSHC – February Newsletter

Welcome Back to Your OSHC!

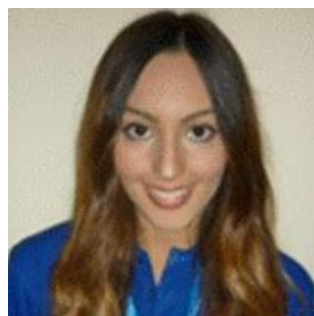

Term 1 Begins!

It is absolutely delightful to see so many of our children and families back after a long break, looking fresh and relaxed. Even though we are missing the company of some of our older children that left us for high school at the end of last year, we are extremely excited to meet all the prep and new children and their families and we welcome everyone for a fun filled 2022.

There are numerous, planned indoor and outdoor activities, incursions, guest speakers and cooking activities included in this year's program. There will also be spontaneous activities knowing the creative, artistic, energetic, happy go lucky nature of our Ascot Vale children.

Dee

Steph

Our Services Educators!

I think we don't need much of an introduction as we have been working together at Ascot Vale for very many years and it has most certainly been a most rewarding experience for us both.

We are looking forward to meeting the new children and their families and are dedicated to continue to provide a very safe, stimulating, healthy and joyful environment to all our children.

Wishing everyone a happy and successful 2022

Dee and Steph
