A message from your Coordinator

Hello everyone,

Some of you may be aware that our beloved co-ordinator, Dee has gone to the US to visit her daughter for the last three weeks of term. She will be back from the start of Term 2! Steph has been filling in for her, so we have had a few different assistants in her place who the children have enjoyed getting to know. We've had numerous activities, games and experiences throughout the past few weeks, including creating clay CD case art displays, ping pong, making banana smoothies and a drawing lesson with special guest and friend of OSCHC, Louie. We have been having lots of fun, as you can see in our photos! We wish all our wonderful families and children a fantastic Easter and relaxing holiday break and look forward to seeing everyone next term!

Steph, Dee and the OSHC team

It's free to register

To attend our program, you must register your child. You can register an account with us at pp.campaustralia.com.au or by downloading our Camp Australia smartphone app from the Apple App Store or on Google Play. Once registered, it's easy to make bookings and manage your account.

Activities coming up

- Handball Competition
- Making Bliss Balls
- Mother's Day Craft

What's on the menu

- Special Easter banana bread
- Bliss balls
- Mexican bean salsa tacos

Visit our blog

New articles are added each week for parents and cover various topics to help families.

Now that we're in autumn, the weather has been slowly changing so we love to bring the outdoors in by getting active indoors and playing ping pong, which brings out everyone's competitive spirit!

For Big Art Week, we did many different types of arts and craft to get the creative juices flowing. There was also a massive nationwide drawing competition amongst Camp Australia schools! To give us some inspiration for the Big Art Week comp we had a special drawing lesson with friend of OSHC, Louie, who taught the kids how to draw cartoon dinosaurs. Most of the children decided to enter their dino drawings into the comp. Good luck to our contenders!

One of our Easter craft activities the children enjoy each year is making sequinned foam Easter egg decorations.

Having a fun, messy time, making different coloured play dough and getting our hands dirty! Working in partners encouraged teamwork and cooperation.

Recycling unused CD cases and creating covers using clay. Our grade 6's led the way with this activity - Enid's beach sunset and Xavi's Alps art displays inspired many of the younger children to give it a go!

Making banana smoothies for breakfast in Before Care!
