

AVPS FETE CAKE STALL.

Dear AVPS Families,

We are reaching out for your support at our cake stall at the AVPS fete on Saturday 19th October.

We'd love you to help by making some baked items such as whole cakes and cupcakes. If you would like to make anything else you are welcome to, but traditionally these have been the most popular at the fete's cake stall.

To assist with set up (cake stall and jams & preserves stall) it would be great if all cakes are presented with clear cellophane and ribbon/string. Be aware that the plate will not be returned, so you may want to use a sturdy paper plate or a ceramic plate/small platter that you are willing to donate. There are some ceramic plates in the canteen which you are welcome to take for your presentation.

If you are baking cupcakes or you are time poor please bring your baked items in a container with a close fitting lid and remember to put your name on it - we will wrap or present items for you. Your containers can be picked up from the canteen at the end of the fete on Saturday or Monday.

Cakes must not contain fresh cream, cream cheese or uncooked eggs.

Please fill in the ingredient list on the slip below and attach it to your baked goods.

All baked goods are to be delivered to the canteen on Friday, before or after school. If baking Friday night or Saturday morning please deliver directly to us before midday- we will be setting up in the community room, next door to music room.

If you would like to donate plates please deliver them to the canteen by Wednesday, 16th October.

Your support, time and effort is much appreciated.

Thank You

Demi Tolikas & Jane Harvey
