

What We Have Been Doing in OSHC

We have been having a blast in OSHC! The children attending our program have already made great new friendships, learnt more than ever before and best of all, have been having heaps of fun. There's been a variety of different activities and games that children of all ages have been engaging in.

The children have been painting and decorating fans, spray painting, zoob and mobilo creations adding on to all the regular activities of OSHC. They have also been enjoying role playing "Teacher and the students" with most of the preps getting involved in it too and it was ever so entertaining. The children have also been enjoying the newly opened deck and the oval area and we have resumed our relay races.

So we are very pleased to announce that the main entrance to OSHC is now open, we will now lock the rear entrance once the roles are marked and all the children are in session, for better supervision and security. There would also be an emergency evacuation drill conducted on Thursday next week. We would prepare the children first by talking to them, to avoid any anxiety that could arise from this exercise. We also thank all our parents for the immense patience and cooperation in completing the child information and other documents which is gratefully appreciated.

Every day we aim to deliver a high-quality program that interests and engages your child, whilst getting to know them. That's why our program is tailored to and guided by the needs of the children attending our service. In OSHC, your child can enjoy and engage in activities ranging from indoor and outdoor play time fun, constructive and manipulative play, as well as creative time. There's also quiet time for homework, reading and relaxation.

Meet Our Team
