## A message from your Coordinator

Hello everyone,

It has been a great start to the year with all of our prep children settling in extremely well. Our preparation and strategies are all in place making the children safe and happy at all times.

We've had numerous activities, games and experiences throughout the past few weeks and the children as well as the educators have been having heaps of fun, as you can see in our photos. With OSHC slowly but steadily growing bigger and stronger we wish all our wonderful families and children a safe and happy term.

Dee and Steph

### Activities coming up

- Big Art Week
- A new Marble Game
- Early Easter Craft

### What's on the menu

- Banana Smoothie
- A Bubble Surprise
- Toasted Pita Bread with cheese and salsa

### It's free to register

To attend our program, you must register your child. You can register an account with us at [pp.campaustralia.com.au](http://pp.campaustralia.com.au) or by downloading our Camp Australia smartphone app from the Apple App Store or on Google Play. Once registered, it's easy to make bookings and manage your account.

### Visit our blog

New articles are added each week for parents and cover various topics to help families.

The summer heat has inspired the children to play many cricket matches this term.

We celebrated Chinese New Year with many fun, creative activities including making Chinese dragon bookmarks, Chinese dragon stained glass effect hanging decorations, and our Year of the Tiger colouring in competition, which were very intricately detailed. Well done to all our finalists - it was hard to choose a winner! Our winner, Sadie, will have her creation displayed on the cover of our reflection journal!

We have been making name cards to help everyone in OSHC get to know each other at the start of the year.

Our sticks and connectors competition was a big success! The children got into two teams, girls vs boys – who will build the tallest creation? There was a lot of EXCITEMENT, communication, teamwork, cooperation, hypothesising and experimenting with different ideas, and a fun competitive spirit! It was interesting to see how differently each team communicated and chose to go about the challenge. Even though the girls created the stronger structure, the boys designed a slightly taller one making them the winners! Demolishing their creations seemed to be the most fun part of the experience!
