The children have really been enjoying making colourful beaded friendship bracelets using wire. Some made bracelets for their loved ones while others made them for each other as welcome back gifts to their friends!

One of our Winter Wonderland activities was to make snowy mountains. We did this by folding recycled magazines and painting them green, then using cotton wool for the snow!

Sophia and Maeve having some dress-up fun!

We love to play lots of group games in OSHC, and one of our recent favourites the children have been enjoying is musical chairs. The excitement levels and competitive spirit throughout the game were through the roof! We even had Dee on the piano playing the music for the game!
