

Thinking about where to send your child for secondary school?

Join our online Q&A session for prospective families to MAC to find out how MAC delivers education, what vertical learning means, and what it's like to be a student at a school that is student-led and student-centred.

The panel from MAC will have Principal Dani Angelico, Junior School Programs and Transitions Coordinator Claire Runci, and Transition Officer Joanna Krasopoulaki. They will be joined by a selection of students who will happily answer questions about student life at MAC.

When: Thursday 14 May @ 7pm

Where: Online conference via Zoom (make sure you download the app prior to the event)

Bookings are essential.

Book through Trybooking: <https://www.trybooking.com/BJLZA>
